Patsy Spano

Dear Patsy,

I hope we will be together (on gym) next year, if they don't send me to stinking ole Clubmen. I am happy to know that you had a good year at Columbus. I am sure I will never forget the good times we have had this year like we have and I've known you. Congratulations to you for your excellant work in your first year at Columbus High. (Home of the Blue Devils)

I hope you will enjoy the rest of your years at High School. I know we'll have a lot of fun doing things together this summer. I hope you remember the trip we plan to take to Europe. I'm glad I know such a nice, sweet, girl.

Bon Voyage!

Love ya!

Many interesting figures are found in the girls' gym.

PHYSICAL EDUCATION

Not only do the girls play a hard game of basketball, but they also can manage some difficult tumbling acts.

In no other class for high school girls is found such a good chance to display unsurpassed teamwork and to better acquaint themselves with each other. Throughout the school year, the girls enjoy playing volleyball, basketball, baseball, and some other of the not too strenuous games.

MR. HERMAN DOLLAR
B.S., University of Georgia

Boys' gym work offers the same opportunity for personal development that girls' gym does. In addition to football, basketball, softball, ping pong, horse shoes, and calisthenics, swimming is also available to the boys. They go by school bus to a nearby pool for swimming instructions.

During National Education Week the government classes sponsored a project in which every student and teacher at C.H.S. was asked to pledge allegiance to the flag of the United States. As a project, the Senior Hi-Y presented miniature flags to each of the homerooms. Shown here are Bobby Smith, Miss Mary Fort, and Bobby Clark during the distribution of the flags.

CROUCH

From almost the first signs of day break until the sun sets wearily in the west the Cohiscan staff has worked tirelessly, each day, to present to you this annual. However, without the cooperation of the students, faculty members, the merchants of Columbus and most especially the journalism classes, we could have never published the book. To each of you, the staff members would like to express their appreciation and the hope that you like the finished product.

Secretary ..... Frances Meegan
Treasurer ..... Edward Doughtie
Advisor ..... Miss Roberta Lawrence
Advisor ..... Miss Mary Fort
Advisor ..... Mr. Neal Thomas

The National Honor Society is an honorary organization for seniors and second semester juniors. Its members must maintain a "B" average. The selection of members is based on Character, Scholarship, Leadership, and Service. During the year, two inductions are held. To the students selected, it is an unforgettable occasion, for there is no greater honor that can come to a student during his high school days.

The Honor Society sponsored a December dance, presenting the "Attractives" of the Senior Class. The money raised by the dance was used toward the purchase of a plaque on which the names of the current members will be placed. Another big project of the Honor Society was the assisting in the publication of the 1953-1954 Handbook.

Minnix present a savings bond to the member of the club who, in the opinion of his fellow members, has contributed most to the advancement of the society. This bond is presented to the winner during an assembly program at which the big debate of the year is given.

The Footlighters, those gala performers of the stage, started the year off with a one-act comedy, "Wilber Takes His Medicine," which climaxed the sale of the school paper, *The Blue Streak*. While one section of the class was making preparations for this, the other was busily working on the dramatization of a puppet show, that was presented during the Children's Hour at the Bradley Memorial Library.

Amidst the various activities of the class and club, a group went to Americus to present a skit for a teachers' meeting. Following this production, another one-act comedy, "Home to Mother," was given to raise money for the war orphans, sponsored by the Student Council.

With spring, came the Footlighters' annual three-act play, "Murder at Random." After this, the Footlighters proceeded to Warm Springs to give a show for the patients. Then the actors came home and settled down dramatizing a series of radio shows for children.

The ensemble is a small group of strings selected from the orchestra to play works written for such instruments. The Columbus High Ensemble was the first high school organization to make an appearance on local TV. They also provide music for many programs of civic clubs and similar groups during the year.

Members and their instruments are: Violin: Barbara Hammond, Barbara Krogland, Stephen Floyd, and Billy Mayher. Viola: Edward Doughtie and John Phillips. Cello; Jerry Harris and Orval LeJeune. String Bass: John Suhr.

The crowning of Beatrice Garcia, senior, as our Band Queen at the Woodlawn game marked another annual affair at C.H.S. Beatrice was elected because she had the most penny votes of all the girls. This is one of the ways that the band finances its trip to Daytona each year. This summer the Band Queen will accompany them on the trip.

This election is sponsored by the Band Parents' Auxiliary.

Pictured above is one of the Columbus High band's half time shows at football games. This show at the Columbus-Jordan game depicted the popular "Dragnet."

The Columbus High Band is a very busy organization. Besides doing half-time shows for all the home games they make one trip with the football team each year. They play for parades, civic affairs, patriotic occasions, and any other community affair at which they can be of service.

The Band plays three or four free concerts each year and after school is out, they spend a week at Daytona Beach, Florida, playing two concerts in the famous Band Shell during this time.

"C" CLUB

The purpose of the "C" Club is to promote athletics of the school on a clean and moral basis, to promote social life among its members, and to cultivate those qualities which go into the making of healthy, desirable and worthy students and citizens.

The "C" Club is composed of students that have been awarded their letters for achievements in the various school athletics. Some of these awards were to players, some to managers, and some to cheerleaders.

Initiation of freshmen into the club often times affords amusement to the entire student body as well as club members. The initiation plus the functions of the club have for their purpose the promotion of clean athletics in the school and social, mental, physical, and moral advancement of its members.

The cheerleaders led our yells with all the "vim, vigor, and vitality" possible. Let's give fifteen rahs to Dickie Garcia, Rita Cleveland, Shelby Strickland, Eleanor Bradley, Sonny Wade, and Beth Willingham—they did a great job!

Our Columbus-Jordan sponsors were orchid be-decked and "well-suited" for the annual game this year. They were Huel White, Ann Epting, Fleming Winn, and Tippy Bickerstaff.

Leading both the Jordan and Baker parades C.H.S. really showed some well decorated cars. Pictured above are two of the winning cars in the Baker parade.

3-D, the subject of the first program, soon became the major interest of the members of the Art Club during this fifth year of the club's existence. First crude attempts at drawing depth, under the supervision of the more advanced artist-members, led to research, experiments, and a greater degree of accomplishment.

Very popular, also, was the Bradley Farm, Broad Acres, where sketching, swimming, and fishing were combined in recreational-education on an all-day picnic.

The Art Club treasury was boosted by the sale of art books for amateur photographers, an attempt which aimed at improving snapshots produced by C. H. S. students.

Among the persons who spoke to the club during the year were: Mr. Edward Shorter, curator of the Columbus Museum of Arts, who spoke to the club about composition; Mr. Fudge, of the Georgia Power Company, who spoke about different types of lights and the purposes for which they could be used; Dr. John Miller, a Columbus oculist, whose topic was 3-D; Mr. Jim Miner, a local free-lance artist; Mr. J. C. Harris, the head of the Standard Printing Company of Columbus, who gave pointers on the posters which the art students made for National Education Week; and Mrs. Mary Passaillaigue, a local artist, who spoke on the subject of color.

Since the first Peanut Bowl Queen was crowned in 1947, Columbus High has nominated seven of the eight queens.

Anne, the current Peanut Bowl Queen, is one of our seniors. She was nominated by the students and faculty.

CORONATION BALL

The Elizabeth Rogers chapter of the National Honor Society had its first "Coronation Ball" in December, to crown the most beautiful girls and the most handsome boys whose pictures appear in the feature section of this book.

Many stated, during the dance, that they hoped this ball would become one of the C.H.S. traditions.

Present at the dance were the honorees, Mr. Carson, principal, and Mrs. Carson; Miss Roberta Lawrence, Miss Mary Fort, and Mr. Neal Thomas, N.H.S. advisers; Miss Lucia Hutchinson, Miss Georgia of 1953; and Miss Barbara Brown, Georgia Maid of Cotton, 1954; many students, parents and teachers.

Above: Mr. Carson and Miss Barbara Brown, Georgia Maid of Cotton, crown Carolyn and Harold as Most Beautiful and Most Handsome respectively.

Captain—JEFF WEEKLEY

C.H.S. 0—LANIER 18

Behind a strong line, the raging Poets defeated the Blue Devils, 18-0. The muddy battle swayed back and forth on kicks until the second quarter when Lanier marched for two T.D.s. Their third score came in the fourth quarter. The game ended with the Imps in charge on the midfield stripe.

RIFLE TEAM

Monday and Thursday nights find the boys of the Rifle team practicing. All boys taking R.O.T.C are required to fire; consequently, many of them join the team for practice on firing nights.

Having 11 lettermen to return, the Imp sharpshooters have used experience to advantage to place high in Regional standings. Sgt. William A. Jackson provided the skilled instruction necessary to develop the squad.

Marksmanship offers the individual the maximum understanding of shooting. It teaches him to be a good and safe shot on as well as off the range.

Dear Spano,
It has been wonderful being in your room this year. I haven't know you but three years but in those years I have found you to be a wonderful person. You are one of the sweetest nicest girls I have ever known. I am sure you have a lot of freinds and will gain many more. I am sure that a sweet girl like you will get a long ways in this world of ours. I wish you the best of luck and happiness that anybody has ever had. May you gain many new friends and always be as sweet as you are now. I hope I can be in a lot of your classes next year because I have really enjoyed it this year. Good luck always
